**A Dilworth Kitchen,
Living Space & Laundry
Renovation**

*Design renderings and selections for a home
we're building right now*

Swipe to take a look inside

01

THE KITCHEN

Taller, wider, and finally open to the family room

- Ceiling raised by removing the dropped coffers and soffits
- Footprint expanded into the old dining space
- A full opening to the family room replaces the pass-through window

The kitchen, before

BEFORE

- Coffered ceiling and soffits come out
- Pass-through window becomes an opening

The kitchen, as designed

- Faux plaster hood
- Freestanding walnut furniture-style island

Kitchen selections

Countertop

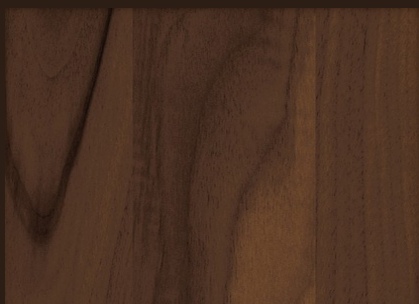

Bridge faucet

Stick tile backsplash

Workstation sink

Walnut island

Brass cabinet hardware

02

FRONT OF HOUSE

Room to gather, right from the front door

- Front bedroom opened into a living room made for entertaining
- Dining moves into the old front living space
- Laundry closet removed to open up the entry

Front of house, before

BEFORE

- The front of the house before the layout opens up

Front of house, as designed

DESIGN RENDERING

DESIGN RENDERING

- New front living room
- Dining room in the former living space

03

THE LAUNDRY ROOM

From a closet to a room of its own

- A dedicated laundry room where there was only a closet
- Moody green cabinets with brass accents
- Vertical shiplap accent wall and a decorative quartz backsplash

Laundry room, as designed

DESIGN RENDERING

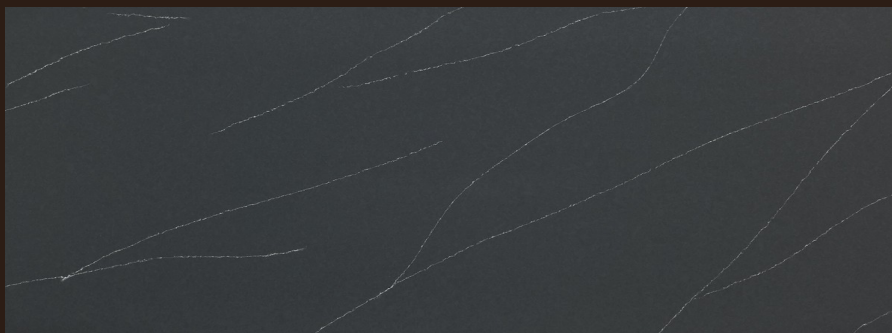

DESIGN RENDERING

- Tall vacuum and broom cabinet

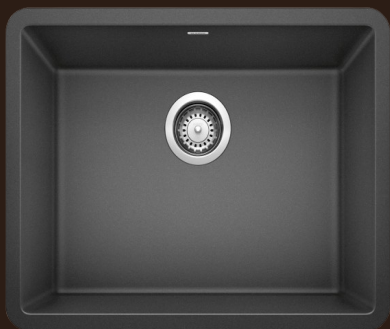

Laundry room selections

Quartz

Brass faucet

Charcoal sink

Green cabinetry

Shiplap accent wall
